

About us

Welcome to Grow Moon Wings

Grow Moon Wings (TF GMW OM Pvt Ltd) empowers Indians through direct selling of premium health, wealth, safety, and fashion products. Our model connects independent sellers directly to consumers for fresher access and flexible income. Committed to integrity and growth, we build a thriving community of entrepreneurs achieving financial freedom. Join us to soar.

- Direct selling with Grow Moon Wings combines the power of direct sales and e-commerce to create a modern, people-driven business model. It opens doors to sustainable earning opportunities while helping individuals build a strong professional life. By promoting quality products through digital platforms, Grow Moon Wings supports career growth with flexible working options. This system plays a vital role in creating employment by empowering individuals, entrepreneurs, and youth to become independent earners. With training, leadership development, and teamwork, Grow Moon Wings transforms direct selling into a long-term career opportunity focused on growth, stability, and success for everyone involved.

Our performance

You're in Safe Hands with Grow moon wings.

Innovation continues to guide all our efforts, whether they are related to new product development or distribution strategies. It is the underlying principle of all that we create and execute, towards improving customer experience. Sensitivity to customer needs and speedy response are the core tenets of our approach to customer service. Grow Moon Wings has successfully steered along two decades of consistent growth, customer satisfaction and unsurpassed success. Based out of the capital city, Greater Noida, we have traversed this historical journey with much aplomb. A positive culture permeates the internal workings of the company. Collaborative leadership and relationships built on mutual trust and understanding, nurtured over the years, have helped the company focus on increasing efficiency and reducing wastage at every level.
